Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Tolleson AZ Wastewater Digester Rehabilitation Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Tolleson, AZ, located at 9055 W. Van Buren Street, Tolleson, AZ 85353. The funding would be used for the rehabilitation of a Digester at the Tolleson Wastewater Treatment Plant, which has been inoperable since 2010 and has led to major capacity issues in a growing region of Arizona.

The project is an appropriate use of taxpayer funds because it will drastically increase the water processing capacity of the plant and support not only Tolleson but surrounding communities in a rapidly-growing area of the state.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ruben Gallego  
Member of Congress
